Presidents Report

April once again has been a month of exceptional grass growth and our mowers have been very busy keeping the grass under control.

The volunteers have, done an amazing job doing this, especially with Damian having the week off with Covid in his household.

The greens continue to be running fast and true, and I for one struggle getting the weight right with downhill putts.

Another thing for me to work on.

Unfortunately we have had a case of some vehicles being tampered with in our carpark. Please lock your cars when leaving them unattended and report anything suspicious to me or any other committee member.

We may unfortunately have to consider putting some security cameras up to police the area.

A cost that I would prefer to spend on other things on our wonderful course, but security is very important.

Another concern for me is the shortage of money we are getting for our raffle on a Saturday. We once again were very short last Saturday.

Do we really need someone to look after this raffle or keep an eye out to make sure everyone is putting their \$2 in?

Surely not!!!

More security cameras?

To finish on a positive, it is great to see good numbers playing during these long weekends.

Long may this great weather continue.

Thanking you
Happy golfing
Warren Leslie

Club members Denis & Colin spend many hours volunteering their time sharpening the mower blades.

Welcome to the following new members this month, Martin Murray FM, Wayne Frewen FM, Grant Rabbidge FM, John Smith FM, David Hayes Ltd, Ryan Woodham YP Primary, Brylee Hayes YP Primary.

We are looking forward to you joining in with us on Club days.

Centennial golf balls and tee marker are available from Bar at \$10 pack.

At the end of play please hand your cards in before putting your clubs or carts away.

We have a number of members who are unwell at the moment we wish you all a speedy recovery.
